Title: Encyclopedia of Modern China

Description/Summary:
Danke Li is a contributing author, "Chinese Physical Education", pp. 127-129.

Book description:
The encyclopedia showcases the work of an international body of prominent scholars, who offer accessible, original, and authoritative analysis of all aspects of the history and culture of China since 1800. Encyclopedia Of Modern China provides critical information on the most populous country and most dynamic trade market in the world: the people, politics, economics, religion, philosophy, traditions, art, and literature of this ancient and enduring civilization is explored from the beginning of the nineteenth century to the present day. Given China's increasing role in world affairs, its modern history and culture are of great interest to many, and this work is designed to bring reliable and accessible facts and analysis to students, professionals, and others who study and interact with China and her people. Commissioned contributors from colleges and universities in China and around the world provide authoritative content and fresh scholarly analysis.
